

JK Data
Location, Patch Size, Vigor

Please complete one sheet for **each** patch

Date _____ Address _____

Owner _____

Patch # _____ Location in yard: _____

Please make all measurements in feet and inches.

Please make a sketch of each patch with measurements that will enable you to compare the patch next year. You will want to know if it is smaller or bigger, and whether it has moved in your yard.

Attach the sketch and measurements to this data sheet.

Location in yard	your fixed point:	1st stake/location		2nd stake/location		
Distance to each stake						
Vigor						
height tallest plant						
height average plant						
Percent of plants that are JK	circle one					
in feet 0-3 edge	100%	75%	50%	25%	slight	0%
in feet 3-6	100%	75%	50%	25%	slight	0%
in feet 6-9 center	100%	75%	50%	25%	slight	0%
	100%	75%	50%	25%	slight	0%

List other plants (or kinds of plants) present in each section:

0-3:

3-6:

6-9:

Please add any other observations that may be helpful in a comparison next year.
